ABSTRACT.

States that Survey No. 47 of Samsa village had been in his enjoyment for the last 35 or 36 years - that he has his house, cattle shed and manure pit on it - that there are on it fruit and coffee trees planted on by his father & that he does not know how the said land was treated during decay. that during the Bahani held two years ago the Chaudhary entered the land as free in the Talukar list and submitted it to the Amilkar during his Jannabandi. that in the Enquiry held by the above officer he proved that he had improved the land which had been in their holding from the time of his ancestors - that thereupon the Dy. Commr. informed him that he could not be granted a portion of it and that 5 acres would be given to him if he paid for it

Rs. 10/- per acre - that consenting to this he
is Rs. 50/- at the Taluk office, but that 3
instead of the land being granted to him he
was given the following endorsement No 249 of 8-2-95

It having been entered in the Talukar list
for Vijaya that you had unauthorizedly
cultivated some portion of Survey No. 147
order had been made that including the
portion ^{you} had unauthorizedly cultivated he
you might be granted 5 acres. On receiving
the upset price from you therefor - ac-
cordingly the Rs. 50/- you paid were placed
in deposit and an Istilla was submitted
to Bagher with the records. In reply No. 712
of 15-1-9 has been received to the following effect.

Since it is expressly stated in the present
order of Govt. that lands unauthorizedly cultivated
should be taken up to foot the order passed
on 10-2-94, directing the grant of 5 acres of land
without sale is cancelled. The amount
received from Venkappa for the said land
should be returned to him. - There is no
objection to Venkappa overhauling for 5 acres,
including the portion which had been unauthorizedly
cultivated, and obtaining it in public sale. If
he submits the draft it should be submitted
with the formal list after holding necessary enquiry.
The produce will have to be sold from
the following year.

You are in pursuance of the said order directed
to appear in the office immediately and take back the
sum of Rs. 50/- paid by you on 12-2-94. Know that
if you are in need of the land you should submit
the draft according to rules.

The petition says that the land
 were sold his annuities were not paid
 him and deprived him of the land. Now
 by he would lose about \$1000 or more
 a year. This shows him that there
 are no coffee trees. 20 or 25 years
 standing. That he is willing to pay
 for it at 100. per acre and also its
 hand again for the last four years
 @ as 8 per acre. Prays that the
 Dy. Commr. may be decided to grant
 the land to him without sale.

Deputy Commissioners Office
Madurai District
Chinnagalur 1st June, 1895

From

The Deputy Commissioner
Madurai District

To

The Chief Secretary to the
Government of Mysore

Sir,

In reply to your memo no $\frac{264}{1482}$ dated
 $\frac{18}{25}$ - April last, forwarding for report
a petition from one Venkappa Gowda
of Madurai, praying that a portion of
Survey No. 47 in the Samce village, mid-
gere taluk, may be granted to him with-
out sale, I have the honour to state as
follows:—

Facts of the case.— In the Sakra list
for the year 1893-94, it was brought to
my notice that the aforesaid Venkappa
Gowda, who cultivates Survey No 205 (20-
sicca at wet rates) in the Khate of
Vendia Begga, a minor, had, prior to
the Survey, settlement, his house, sheds
(kottige) and dumping ground and plant-
ed 30 plantain trees and 10 or 15 coffee

8
plants close to his house on a portion
of the adjoining gomal survey no 147,
measuring 1935-37 acres, and that he
encroached upon about 15 guntas of
the said gomal land and put in 15
arcanut trees, jack trees and 220 coffee
plants out of which only about 120
plants yielded coffee crop. The applicant
admitted his action which he said was
done by mistake.

2 The Amildar inspected the land
and reported that the above encroach-
ment was true, and that the houses &c,
said to have been in existence from
prior to the survey settlement, are not
shown in the survey map, and recom-
mended the grant of 5 acres to the ap-
plicant, owner of wet field no 208.

5 In 10th February 1891, when I did
the jama banai of the Mudgare taluk,
I passed the following order:—

This is a variety of long stand-
ing as the age of trees show, and
which the Amildar, who has in-
spected it, reports as 5 years old.

¹⁰
"resumed to government the above orders must be cancelled and the land resumed to government. The amount, if any, received should be refunded. Venkappa Gowda may apply for 5 acres of land including the unauthorisedly occupied portion and obtain it in auction."

Hence the appeal.

II Points taken the petition — b. They are just the same as above, but the appellant prays that he may be allowed to have the land of 5 acres on his paying the upset price at Rs 10/- per acre, and also back assessment at 8 annas per acre for the last 4 years. As the land in question is an undoubted encroachment and which the petitioner admits, I am of opinion that it should be treated as such and the recent government orders carried out.

7. The appeal petition with its,

U
enclosure is herewith returned with
Vernacular proceedings ending with
Mudgee Amildar's report no 1191 dated
3rd May 1895.

As this has apparently been cultivated by mistake, the present holder should apply for 5 acres of land including the piece and which may be granted to him at an agreed price of Rs. 10/- per acre."

Both the appellant Venkayya Jossai and the guardian of the minor Verdia Keggadi, who owns wet land in 203 in his Khate and cultivated by the appellant, apparently a tenant, having agreed to secure the 5 acres, the appellant put in a formal application for 5 acres and paid Rs. 50/- being the agreed price for the 5 acres above alluded to to the District Officer, for which papers on the subject were again received for my order.

On 11th January 1920, I passed the following order:-

As Government orders are imperative that all unauthorised cultivated lands should be

on a portion of the formal land,
Survey No 147, adjacent to
Survey No 208, cultivated by
him. The Dy Commissioner held that
this unauthorized occupation,
reported to have been made
prior to the Survey Settlement,
was due to mistake, and
ordered that 5 acres out of the
formal land, the extent of
which is 1933-37, be, if
applied for by Petitioner, granted
to him for an upset price
at Rs 10/- per acre; but on
reconsideration he ordered
the resumption of the land
having regard to the orders
of Govt in respect of un-
authorized occupation.

As the unauthorized
occupation in this case
was due to mistake and
allowed unnoticed for several
years, the Govt are pleased
to condone it and to authorize
the Dy Commissioner to give
effect to his first order,
